SSAS BACKYARD BIRD SURVEY

The Research Committee is conducting a study to document the bird species found in the SSAS geographical area and to make some estimates as to their numbers. We request input from anyone that feeds and/or observes birds in their yard or neighborhood. If you would like to participate in this program, we would greatly appreciate it.

To participate, simply record the birds that you see in your yard, neighborhood, or at your feeder; the date, time, and the number or approximate number of each species; and fill in the table provided below. If you have more recordings than lines in the table, please attach an additional piece of paper to the table and submit the additional recordings in the same manner. At the end of each month, please mail or e-mail your record to me at the appropriate address listed below, or hand it to me at our monthly meeting. Double-sided survey sheets are available at SSAS events.

Please do not hesitate to submit your observations, even if you have been able to make only very few. WE NEED YOUR INPUT!

Dates: From _____ to _____

Date	Time	Species	No.	Date	Time	Species	No.
